

If you would like to register your child for Afterschool Activities, you must read the following regulations and by registering your child you declare that you accept and will follow these regulations:

General Rules about Supervision of Children:

- If your child is registered for a class starting at 12:20, you must inform their class teacher that they will be taking part in an AA course. If your child is scheduled for MoMi on that day, you must inform MoMi.
- If your child is booked for a 13:20 course, they must either be registered for MoMi or you (the legal guardian) must pick them up at 12:20 and bring them back to the school for their course at 13:20.
- If your child is booked for a 13:20 course, they cannot hang around the school unsupervised by an adult until their course begins.
- If your child is not registered for MoMi, they **MUST** be picked up immediately after their course is finished (ie 13:20 for a 12:20 course).
- These rules are valid for any course that does not begin immediately after school is finished each day.**
- If your child is found unsupervised on or outside of the school grounds, you will be contacted and kindly reminded of these rules. The second time your child is not picked up immediately after their course or arrangements have not been made for your child for between school end and their course begin (ie MoMi or Parent Pick-Up), your child will no longer be allowed to participate in the AA course.**
- The Afterschool Activities cannot provide supervision for these times. The school has the MoMi/NaMi for these situations and otherwise the supervision falls to the parents.**

General Rules about Lunch Time:

- Your child can bring a snack for their 12:20 class or they must wait to eat until after the class when they have returned to Momi or have been picked up by their legal guardian.
- If your child is booked for a 13:20 course, they cannot eat lunch in the canteen by themselves due to the COVID regulations. They also cannot bring a packed lunch and eat in the canteen or anywhere else inside or outside of the school grounds unless with a parent/guardian.

COVID Rules:

- The children must follow the same COVID regulations during AA courses as they would in their classrooms. Please see the school COVID regulations if you need to check them.
- The course instructors must all follow the 3G rules and the school's COVID Regulations
- Courses that take place in classrooms have limited class numbers to comply with regulations.
