

# THE PARENTS' ASSOCIATION (PA) NEWSLETTER - JANUARY 2024

## HIGHLIGHT

Dear ESK families,

Welcome back after the Christmas break! We hope you had a fantastic time with your families and friends and that you are now ready to embrace the new year!

We would like to express our gratitude to all the families that participated in the **Mobility Program**, hosting students from other European schools from September to December 2023. They had a fantastic experience, and we hope it was fulfilling for you as well.

We would also like to inform you that, for the second year, our school organised an exchange program through **Erasmus+** with an Italian high school. Five students (one boy and four girls) will come to study in our school from 19 February to the end of April or the first week of May. We are currently **looking for host families** for them! If you would like to be a part of this wonderful experience, please contact the mobility team directly

- June, 13th Italy

We look forward to hear from you!
